HELP NEEDED!

We are deeply thankful to the Lord and our generous donors for your support. However, the challenges these children face remain significant, and we still need your kindness and assistance!

The LSOB-class at Du Preez van Wyk Primary School also needs an assistant teacher.

Currently there is only 1 teacher, learning, teaching and loving 13 children from gr 0 -gr 6 level!

Children in Need: Our Passion indeed!

Dear Friends and Supporters,
 June has been an incredibly busy and blessed month for us! We extend our heartfelt thanks to everyone who made this possible.

JULY EDITION Newsletter

Our painting project at Laerskool Du Preez Van Wyk was a tremendous success! Parents, children, teachers, and volunteers from as far as Krugersdorp joined us, working together to bring color and joy to the school. Young and old alike pitched in, with even the little ones from the LSOM class lending a hand. The children at the school are now enjoying their vibrant playground, and we are grateful to have been able to provide this much-needed resource. A special thanks to the Lord for guiding and teaching us every step of the way, as well as to all the sponsors and willing hands that made this day a reality!

Our call for blankets and clothes for several families has generated an overwhelming response, and we are thankful to have been able to deliver much-needed items to those in need. A big thank you to everyone who called, donated, and helped out! Here are a few pictures of the rooms that received timely assistance before the cold weather set in. The Lord is good to us!

3. Our Young Heroes

Helping a child with special needs doesn't require a unique person; however, opening your heart and investing your resources to support them truly distinguishes you as extraordinary.

Inspiring Young Heroes

Elaine Pretorius This month, Elaine received her shoes, which play a crucial role in the development of her little feet. She is making good progress in crawling and is standing up more easily. We continue to need funds for more regular specialized aqua therapy, equestrian therapy, and occupational therapy. In August, we will take her to Maryna Roosenstrach, an excellent occupational therapist specializing in neuro-related challenges in children. Elaine enjoys the mat in the living room, where she can practice her crawling and walking more effectively.

Elaine

Rainhard

Rainhard Truter is very happy in his warm room, along with his sister and brother. He recently visited the dentist, and Dr. Meena from Wiggly Teeth will clean his mouth and teeth in August to help clear up any infections and preserve his teeth. We still need funds for Rainhard's walker and wheelchair, as well as clothing to help him retain body heat. Due to his brain injury, he has lost the ability to regulate his body temperature effectively and can feel quite cold in winter, sometimes needing a warm bath just to break the chill.

JUNE EDITION Newsletter

Making a Difference Early On

Though we are just at the beginning of our journey, Acts of Kindness has already made a small but significant impact on children:

- Provided a carpet for the special needs (LSOB) class at a primary school.
- Supplied personalized mugs and ensured purified drinking water for the children every day.
- Funded a jungle gym for a little girl with special needs.

Upcoming Events

From **June 6 to 8**, we will be painting the playground in front of the **LSOB** and Grade 1 classes at **Du Preez van Wyk Primary School**. Parents, children, teachers, and community volunteers are coming together to help.

Purpose of the Initiative

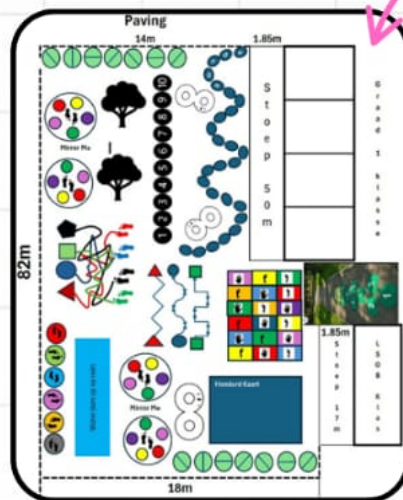

- To offer extra educational support to teachers, enabling them to establish concepts through interactive learning and sensory stimulation.
- To provide children with enhanced interactive and sensory experiences during breaks.

We extend our gratitude to **Brushwords Constructions** for sponsoring all the paint, and several other local businesses for contributing food, drinks, and equipment for the event. More details about our sponsors will be released after the project has been completed.

Let's come together to support these brave young individuals! Bring your own brush, wear some old clothes, and join us in making a positive difference!

Sometimes, true superheroes reside in the hearts of small children bravely battling enormous challenges

We have several of these heroes who need our assistance to make their struggles a bit more manageable:

Elaine Pretorius is 3 years old but is unable to walk. She urgently requires expert assistance and therapy. Her feet are already misaligned due to incorrect body positioning and weak muscles.
